### DEPARTMENTAL AFRICA DAY CELEBRATIONS: FRIDAY, 27 MAY 2022

The 25<sup>th</sup> May marks the commemoration of Africa Day. The day is commemorated across the African continent in recognition of the formation of the Organisation of African Unity (OAU) on the 25 May 1963, the predecessor of the African Union (AU). The day is a reminder to Africa and her people of the progress made and a continuous reminder for member states to continue to build a prosperous and peaceful continent an agenda that needs to be driven by the African people themselves.

The Department has earmarked the 27<sup>th</sup> May 2022 to celebrate the day.

The proposed programme will entail employees grouping themselves according to their Directorates and showcase any African culture through cooking and wearing traditional attire.

Employees are welcome to dress in their favourite African- inspired attire from tomorrow 25 May 2022 until 27 May 2022.

The events team led by Mr Stephen Moseki will coordinate the logistics for the commemorative event and will update as such.

Please note that the events team will allocate areas for cooking. All other things will be from the officials own contributions.

Thank you

Chief Director: Corporate Services
