Re: Electronic Delivery of Pay slips

SITA acquired a product that is referred to as ELECTRONIC DOCUMENT DELIVERY(EDD) and this product is available to departments on a cost recovery basis. In short, the EDD entails that employees receive pay slips and salary related documents electronically in a secure manner.

Persal has been adjusted to carry out email addresses and cell phone numbers of officials. The department has opted to implement and use the EDD system. In order to implement this process, the following information is requested from all officials by end of August 2024:

- Full name and Surname
- Persal number
- Cell phone number
- Email address (This can be your work email address or gmail account)

The abovementioned information can be email to Ms TC Karsten at tkarsten@ncpg.gov.za.
