

PAUSE TO ADMIRE OUR INDIGENOUS NATURAL PLANTS: WITH YOUR EYES!

The Northern Cape Nature Conservation Act
(No. 9 of 2009) prohibits certain activities
around our indigenous and protected plants

With regard to a protected plant species under the Act no person may
without a permit...

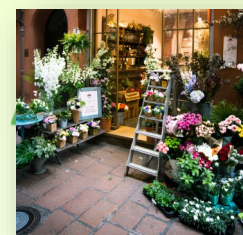

Pick...

Import/Export/
Transport...

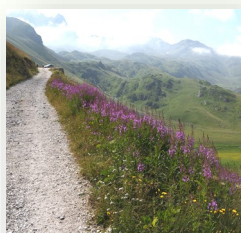

Cultivate...

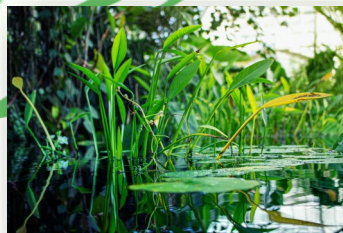

or Trade in
the plant

And with regard to a specially protected plant species under the Act no
person may also possess such a plant without a permit...

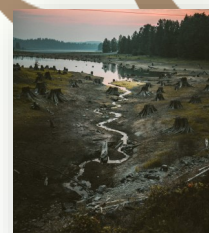

With regard to an indigenous (common) plant species under the Act no
person may without a permit...

Pick within 100 meters
of a public road

Within 100 meters
of a watercourse

Harvest on a
large scale
